ITALIAN PALATIAL WEDDING BACKDROPS

We are proud to release a series of new addition backdrops that will enticingly transform your wedding into a magnificent Italian Baroque Palace!

These awe-inspiring 4D printed masterworks portray lavishly decadent surroundings of rich frescos with ornately decorated chandeliers, bold architraves and lined colonnades – creating the ultimate optical illusion of multidirectional space.

The exquisite scenes will surprise and transform your guests to a place of extravagant style. Place them behind your bridal table, cake and sweets display, around guest tables, or even in reception areas. They provide the most sophisticated transformation over and above any other themed accessories for your special day.

Pair these opulent images with our magnificent high quality crystal chandeliers and you will leave your guests with a truly unforgettable celebration.

All the best for your event!

A handwritten signature in black ink, appearing to read 'P. Bell-Langford', is displayed on a white background.
